

Coventry Hearsall GC

General Manager

Founded in 1894, Coventry Hearsall Golf Club is a private members club located within the City of Coventry. Our course is parkland with excellent greens. We are seeking a full time General Manager.

The Position

The General Manager reports to the Board, which consists of six directors who have responsibility for specific areas.

Responsibilities

The General Manager is responsible for:

- Marketing the club to potential members and visitors
- Managing and directing staff
- Maintaining the premises and other assets of the club
- Financial management and planning in conjunction with the Management Board
- Administration of the office
- Ensuring compliance with all legal and regulatory requirements

The person

- Will have the skills and knowledge to match the tasks set out above, in particular:
- Strong leadership, people management and organisational skills
- Sound financial and commercial acumen
- Marketing ability to maximise the potential of the club's facilities

Salary: Competitive
